§ 01 - Experience

Designer (Project Specialist) CITRUS STUDIOS · LOS ANGELES, CA — JUNE 2026 - PRESENT

- Led design for LA County DEO's Shop Local Marketing Lab+ program, creating brands, logos, and social media assets for 15+ small businesses affected by the Altadena fires.
- Design client websites in WordPress, Wix, and Shopify, with a focus on WCAG/ADA accessibility, SEO, and site performance.
- Managed the program's full caseload, handling scheduling, approvals, and client communication through delivery and reporting.
- Design marketing materials, monthly newsletters, and social media assets for Pacific Neuroscience Institute, plus event assets for its symposium events.

Graphic Designer NAXA ELECTRONICS · VERNON, CA — 2024 - JUNE 2026

- Designed marketing assets for 90+ Victor and Emerson brand projects, optimized for desktop and mobile and featured on Amazon, Walmart, and other major retail sites.
- Managed and updated the Emerson and Victor Shopify websites, including adding new products, creating and editing templates, and integrating marketing plugins.
- Designed packaging in Adobe Illustrator for 20+ new Victor and Emerson products, following brand guidelines.
- Developed product catalogs, product cards, and sale sheets in InDesign for the 2025 Consumer Electronics Show.

Freelance Graphic Designer FREELANCE · LOS ANGELES, CA — 2018 - 2024

- Built brand identities and logos for small businesses, from first concepts through final print and digital files.
- Designed brochure layouts in InDesign for a cosmetic procedure finance company.
- Designed packaging and print layouts for clients, delivered on time and on budget.

Graphic Designer INTERSECTLA (FORMERLY VISCOM) · NORTHRIDGE, CA — JUNE 2017 - JUNE 2018

- Collaborated with a team of 20+ creatives and marketers to develop and execute creative strategies for 10+ client projects.
- Produced 15+ print, digital, and social media formats that strengthened client brands.
- Designed polished slide presentations for on-campus university departments, turning dense content into clear, on-brand visual stories.
